

Taiwan Institute for Governance and Communication Research (TIGCR), 2018: Taiwan Government Bureaucrats Survey (TIGCR-TGBS 2018).

q97. Suppose that one of these two patients never smoke, and the other is a chain-smoker who smokes for plenty of years. Other conditions of these two patients are the same. Who do you think should receive the heart transplant first?

Sample citation of the data source

Data analyzed in this article [paper, book, chapter, report] were from Taiwan Institute for Governance and Communication Research (TIGCR), 2018: Taiwan Government Bureaucrats Survey (TIGCR-TGBS 2018). The principal investigators of multi-year project TIGCR are Professor Chi Huang (National Chengchi University) and Professor Chingching Chang (National Chengchi University). TIGCR- TGBS 2018 is the first year online survey data of the TIGCR government bureaucrats' panel survey on "Political attitude, Policy-making and Governance Communication in Taiwan". The principal investigators are Professor Chi Huang and Professor Chingching Chang. More information is on TIGCR website ((<http://tigcr.nccu.edu.tw/>)).
